Gildner & Associates Wealth Management has teamed up with Alco Federal Credit Union this year, for our 7th annual Shred-It Event. Everyone is welcome to this free community event. We have hired the professionals at Shred-it with Stericycle of Rochester to bring in a professional shredding truck for this event. Throwing away documents with your personal or confidential information may seem harmless, but it can leave you open to fraud and identity theft. Protect your information by taking advantage of this shredding event to drop off any confidential papers for on-site destruction.
