_____ It is understood that animals being fostered are property of the SPCA Serving Allegany County. The SPCA Serving Allegany County has the right to request the return of any fostered animal at any time for any reason or for no reason at all.

_____ Your foster dog may not be house-trained and puppies can be messy. Your foster cat may not be litter-trained and kittens can be messy. You understand he/she may have accidents in your home.

_____ Like many dogs, your foster may chew on furniture, clothing, or other objects. Like many cats, your foster cat may scratch on furniture, clothing, or other objects. You are comfortable working with this behavior. The SPCA Serving Allegany County will not be responsible for any damage directly or indirectly caused by your foster pet.

_____ You agree to keep your foster dog on a leash or inside your home at all times. You agree to keep your foster cat inside your home at all times.

_____ You will NOT take your foster animal to a veterinarian or administer medications unless directed to do so by the shelter. The shelter will NOT reimburse foster volunteers for any unapproved veterinary expenses.

_____ Representatives from the shelter may need to contact or visit you to discuss the foster pet. You agree to be entirely honest and forthright in regard to your foster pet's condition, be it positive or negative.

_____ There is some risk to your own animals, especially if your foster animals are not kept separate. You understand that the SPCA Serving Allegany County is not responsible for your own pet's medical treatment.

_____ You understand the SPCA Serving Allegany County has the final authority in regard to the foster animal's adoption, treatment or disposition.

_____ You agree you will not leave your foster animal in the care of any other person, including potential adopters, without approval.

As a foster parent for the SPCA Serving Allegany County, you agree to care for your assigned pet for a minimum of two weeks. Based on the answers to your application, the shelter will choose the pet to be placed in your home. If you wish to keep your foster pet longer, this can often be arranged. If you decide you want to adopt your foster pet, you will have priority and qualify for a special, reduced price adoption.

Upon assignment of a foster pet, a shelter representative will contact you to schedule a family visit to the shelter. You will need to bring everyone that lives in your household. If you are going to foster a dog or puppy, we also require you to bring any current dogs living at your house to make sure your foster pet is the best match possible.

By signing this form, you agree to the above statements and certify that the answers given above are true. Completion of this application does not guarantee acceptance into the SPCA Serving Allegany County foster program.
